Education

Pharos University in Alexandria

Alexandria, Egypt

B.Sc. in Computer Science & Artificial Intelligence

Sep 2023 – Jun 2027

Expected graduation date: June 2027

CGPA: 3.45

Experience

Backend AI Intern at FlyRank

Jul 2026

- Selected for an AI backend engineering internship covering RAG pipelines, LLM APIs, and agent-based systems.
- Training in AI system evaluation, grounding, and production-ready backend architectures.

Courses

Backend Node.js at Route Academy

Apr 2025–Dec 2025

Node.js at Cloud Native Base Camp

Feb 2025–Aug 2025

Projects

Library Management System

Apr-2026 [\[Repository\]](#)

Developed a **microservices**-based LMS using **FastAPI** with API Gateway and S2S communication.

Version II: Migrating communication to **gRPC** and integrating asynchronous messaging using **RabbitMQ**.

Cryptocurrency Simulator

Jan-2026 [\[Repository\]](#)

Built a simple cryptocurrency **blockchain** application in **JavaScript** that creates blocks, validates chain integrity, simulates mining, with automated testing using **Jest**.

Authentication Access Management Service

Dec-2025 [\[Repository\]](#)

Built a secure authentication service in **Express** acting as a login gateway implementing **JWT**-based authorization, managing credentials and password hashing in clean code that applies **OOP** principles, **SOLID** Principles, **Factory**, **Adapter** and **Repository** Patterns.

Anonymous Chat

Oct-2025 [\[Repository\]](#)

Built an Anonymous chat using **Node.js**, **Express**, and **MongoDB** that supports secure user authentication, profile management, and anonymous message sending.

Skills AND Tools

- Languages:** C++, C#, JavaScript, TypeScript, Python, SQL.
- Frameworks:** NodeJS, Express, FastAPI, Mongoose, SQLAlchemy.
- Databases:** MySQL, MongoDB.
- Tools:** Git & GitHub, Postman, VS Code.
- Skills:** Data structures, Algorithms, Problem solving, Design patterns, Layer and Module pattern, Repository, OOP, Microservices, ORM, ODM, REST APIs.

Activities

Vice Web at IEEE PUA

Nov2025 - Present

Contributed to designing and managing web content and sessions for technical events and workshops.

Vice Web at Hult Prize

Oct 2025 – Mar 2026

Participated in organizing and coordinating digital activities for competition events.
